SUCCESS DEFINED

A successful Kansas high school graduate has the

- Academic preparation,
- Cognitive preparation,
- Technical skills,
- Employability skills and
- Civic engagement

to be successful in postsecondary education, in the attainment of an industry recognized certification or in the workforce, without the need for remediation.

OUTCOMES

- Social-emotional growth
- Kindergarten readiness
- Individual Plan of Study
- Civic engagement
- Academically prepared for postsecondary
- High school graduation
- Postsecondary success

Kansans CAN

MISSION

To prepare Kansas students for lifelong success through rigorous, quality academic instruction, career training and character development according to each student's gifts and talents.

VISION

Kansas leads the world in the success of each student.

The Kansas State Department of Education does not discriminate on the basis of race, color, religion, national origin, sex, disability or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies: KSDE General Counsel, Office of General Counsel, KSDE, Landon State Office Building, 900 S.W. Jackson, Suite 102, Topeka, KS 66612, (785) 296-3201.

Kansas leads the world in the success of each student.

July 1, 2025

Introduction

Dr. Randy Watson
Kansas Commissioner
of Education

Welcome to the 2025-2026 Kansas Educational Directory! Just as schools are prepared once again to open their doors to all of our eager students, Kansas State Department of Education (KSDE) has once again prepared for you a directory containing contact and enrollment information for every public and private accredited school and district in the state. We hope you find this information helpful.

Please note the following:

- The directory is only available online at: https://www.ksde.gov.
- Student enrollment and faculty data are from the 2024-2025 school year.
- Other data, including administrator's information, are provided by educational organizations.
- General information is subject to change and should not be considered official information. The online directory will change throughout the year.

Thank you for all you do for the infants, toddlers, children and youth in Kansas.

Dr. Randy Watson
Commissioner of Education

Nondiscrimination Notice

The Kansas State Department of Education does not discriminate on the basis of race, color, religion, national origin, sex, disability or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies: KSDE General Counsel, Office of General Counsel, KSDE, Landon State Office Building, 900 S.W. Jackson, Suite 102, Topeka, KS 66612, (785) 296-3201, or the Office for Civil Rights, U.S. Department of Education, One Petticoat Lane, 1010 Walnut Street, Suite 320, Kansas City, MO 64106, (816) 268-0550.

Inquiries or grievances related to compliance by public schools with the nondiscrimination policies should be directed to the local board of education or the Office for Civil Rights.

Section 504 Grievance Procedure

The Kansas State Department of Education has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging noncompliance by the Department with Section 504 of the Rehabilitation Act of 1973 in any program or activity administered by the Department. The Kansas State Department of Education General Counsel has been designated the Section 504 Coordinator and may be contacted at: Office General Counsel, Kansas State Department of Education, 900 S.W. Jackson St., Suite 102, Topeka, Kansas 66612, (785) 296-3201.

Any person who believes he or she has been subjected to discrimination on the basis of disability in a program or activity administered by the Kansas State Department of Education may file a grievance under this procedure. Retaliation against a person who files a complaint of discrimination on the basis of disability pursuant to the grievance procedure, or persons who participate in related proceedings, is prohibited.

PROCEDURE:

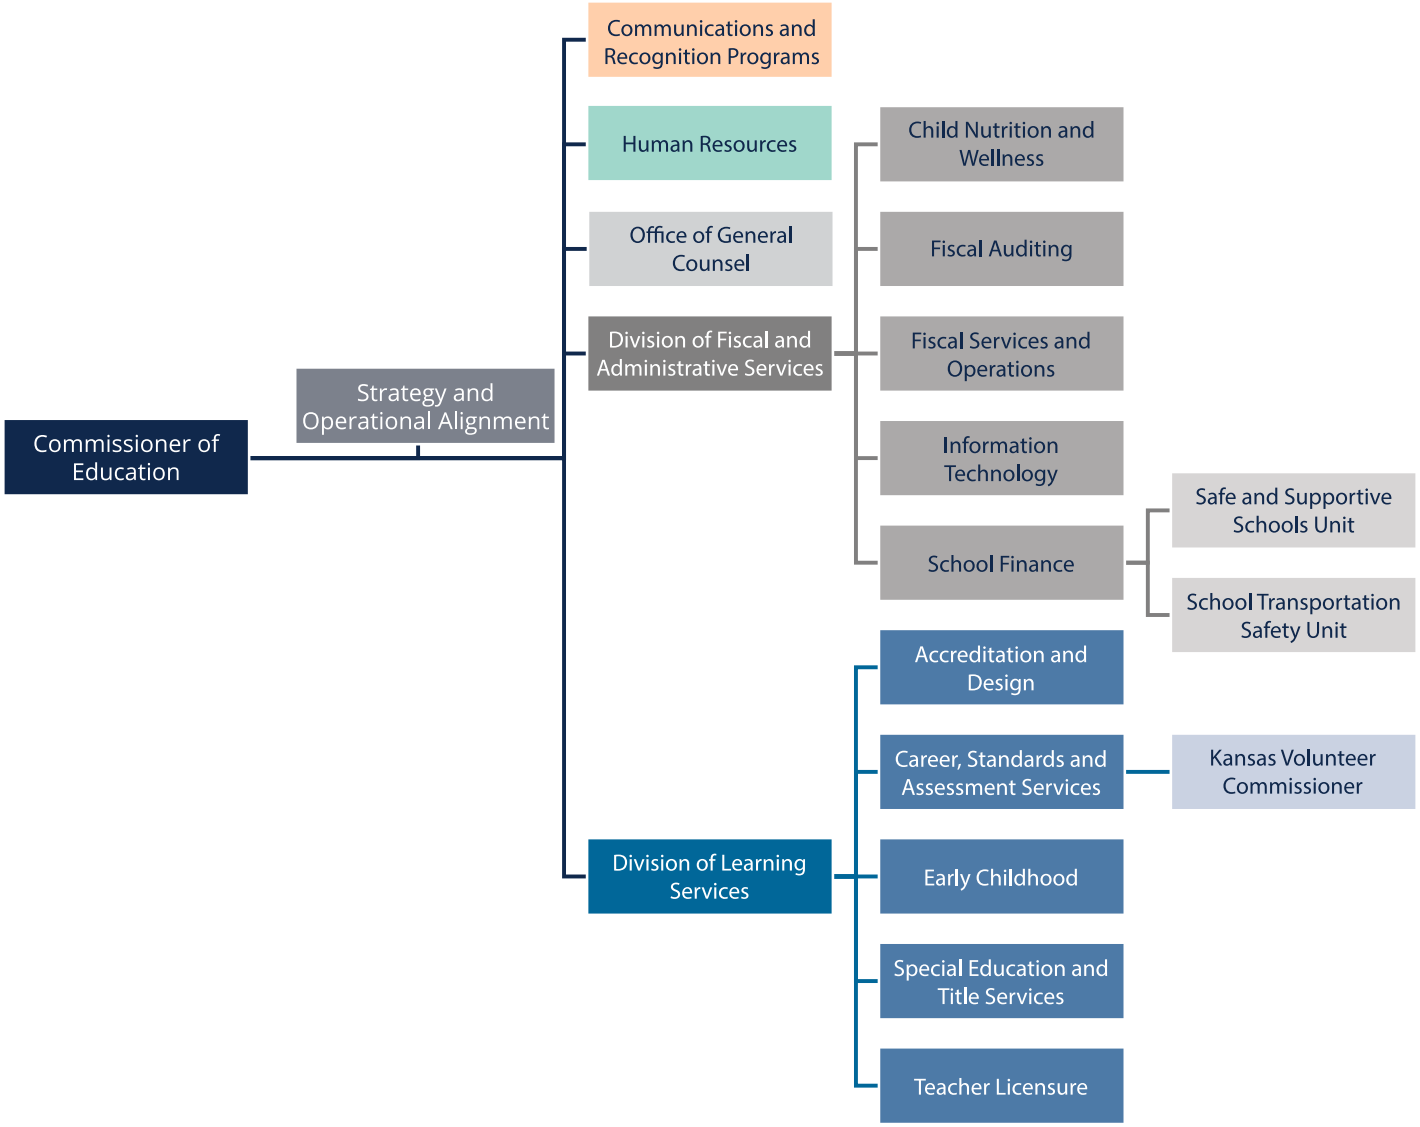

- Grievances must be submitted to the Section 504 Coordinator within 30 calendar days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought. A form complaint is available.
- The Section 504 Coordinator (or his/her designee) shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 504 Coordinator will maintain the files and records of the Kansas State Department of Education relating to such grievances. The Section 504 Coordinator shall maintain the confidentiality of the person who files a complaint.
- The Section 504 Coordinator will issue a written decision on the grievance no later than 30 days after its filing.
- The person filing the grievance may appeal the decision of the Section 504 Coordinator by writing to the Commissioner of Education, Kansas State Department of Education, within 15 days of receiving the Section 504 Coordinator's decision. The Commissioner of Education shall issue a written decision in response to the appeal no later than 30 days after its filing.
- The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U.S. Department of Education, Office for Civil Rights, 8930 Ward Parkway, Suite 2037, Kansas City, Missouri, 64114, (816) 268-0550.
