Alternate Assessment Breakdown Report

School Year: 2018 - 2019 | D0335 North Jackson | Status: Submitted to KSDE on 12/12/2018

☐ Since the district's total test population is less than 300 and the total number of students participating in the DLM is 3 or less, no justification statement from the district is needed for the moment.

☒ Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.

The IEP team thoroughly discusses individual student performance data and the questions outlined in the alternate assessment flow chart provided by KSDE to determine the best test to use as a summative assessment.

☒ What are the district's next steps to ensure that annually the appropriate test is administered to each student?

USD 335 feels this approach has worked well for our students and we will continue to seek guidance from KSDE when needed.
