School Year: 2018 - 2019 | D0364 Marysville | Status: Submitted to KSDE on 12/20/2018

☐ Since the district's total test population is less than 300 and the total number of students participating in the DLM is 3 or less, no justification statement from the district is needed for the moment.

☒ Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.

IEP teams utilize the DLM participation guidelines document provided by KSDE when considering if a student qualifies and needs to take the alternate state assessment. IEP teams review the students last evaluation report, IEP, and current educational progress prior to making a recommendation to take the alternate state assessment.

☒ What are the district's next steps to ensure that annually the appropriate test is administered to each student?

The district will continue to provide professional development to staff regarding the participation criterion for the alternate assessment.
