Alternate Assessment Breakdown Report

School Year: 2018 - 2019 | D0372 Silver Lake | Status: Submitted to KSDE on 11/30/2018

☐ Since the district's total test population is less than 300 and the total number of students participating in the DLM is 3 or less, no justification statement from the district is needed for the moment.

☒ Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.

IEP teams determine Alternate Assessment Eligibility by utilizing Special Education Evaluation Cognitive and Achievement, MAPS Assessments, and Local Assessments. IEP Teams have started using previous scores from DLM as well.

☒ What are the district's next steps to ensure that annually the appropriate test is administered to each student?

IEP Teams review participation each year through the IEP Process. Data is discussed from assessments and previous DLM to determine which assessment is appropriate.
