[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

The team uses national, state, and local measurements as a part of a student learning plans.

[X] **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

We check in place with our Special education cooperative HSEC. This includes training, interventions, and other steps to ensure students are not overidentified, while also assuring we are meeting everyone's needs.

Based on the data for our district, our LEA needs additional training.
