[x] Yes [ ] No

If yes, please explain how you will address the disproportionality.

IEP teams met at the beginning of the year to go over each student who took DLMs the previous year. Teams utilized the new DLM Chart and DLM Rubric provided by KSDE to determine if each student still qualified for the DLM. We also reviewed student's cognitive scores to make sure they were in the most severe range. Adaptive behavior scores were also reviewed. Teams also took into account whether they passed last year's DLM content areas.

Percentage of students performing at target or advanced on the DLM for the school year.

ELA:	40%
Math:	40%
Science:	25%

[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

USD 257 IEP teams utilized the DLM participation guidelines when determining each individual student's qualification to take these alternate assessments. IEP teams complete the DLM rubric and the DLM flowchart each year for each student. The ANW Coop WEBKIDSS program has two drop down menus for IEP teams to review the 14 exclusionary evidence for participation questions. Teams also made sure students were receiving instruction in the Essential Elements if they were taking the DLM. ANW added additional forms to WEBKIDSS to make sure students IEP teams were looking at all the evidence before deciding on the DLM as the students assessment.

[X] **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

IEP teams will continue to utilize the most recent flow charts and guidelines provided by KSDE to determine individual student's eligibility for the alternate assessment (DLM). IEP teams will review each student's performance on the previous year's assessment.

Based on the data for our district, our LEA needs additional training.
