[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

IEP and Teacher teams use the KSDE Rubric for Determining Student Eligibility for the DLM for each of the students.
By using the rubric it was determined that these students had:
*Most significant cognitive disabilities
*Most significant cognitive limitations
*Deficits in adaptive behavior
*Need maximum levels of support to make academic progress
These students are in specialized self-contained classrooms with alternate curriculums.

[X] **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

Teachers and IEP teams will continue to use the KSDE Rubric for Determining Student Eligibility to take the DLM.

Based on the data for our district, our LEA needs additional training.
