☐ **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

IEP teams are required to use the rubric provided by KSDE to review data points in the perspective areas to support with the decision making process as it pertains to students qualifying for the DLM. If a student is found to qualify through this process teams are also required to complete the student information sheet so that the data can be reviewed. Additionally, student performance is reviewed annually by IEP teams in collaboration with the Assistant Director to ensure that the DLM is still the most appropriate assessment for each student.

☐ **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

1. The district will be notified of the findings by KSDE.
2. A review of the procedure that is to be followed when identifying students with most significant cognitive disabilities will be scheduled in conjunction with training on the concept of the Least Dangerous Assumption.
3. Teams will continue to complete the required rubrics and student information sheets to support with the decision making process.
4. This training will be reviewed annually moving forward by the Assistant Director.

Based on the data for our district, our LEA needs additional training.
