[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

The student has a most significant cognitive disability.
The student has significant deficits in adaptive behavior.
The student is primarily being instructed (or taught) using the DLM Essential Elements as content standards.
The student requires extensive direct individualized instruction and substantial supports to achieve measurable gains in all grade-and age-appropriate curriculum at a reduced depth, breadth, and complexity.
The student meets the criteria to participate in the Kansas Alternate Assessment (DLM) for students with significant cognitive disabilities.
This decision is based on Evaluation Team Reports, Diagnostic assessments, Speech and Language assessments that determine expressive/receptive language communication status, IEP goal/objectives progress data, both formative academic and transition assessment data, adaptive skills checklists/inventories, progress on functional, and daily living and life skills standards.

[X] **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

Continue the current procedure of annually teaching all instructional staff the correct process outlined by KSDE for determining which students are eligible to participate in the DLM.

Based on the data for our district, our LEA needs additional training.

[ ] Yes [X] No

Our district anticipates testing over 1% of our students in one or more content areas during the school year.
