[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

When the IEP is determining the assessment needs of a student, the team reviews the DLM guidelines and utilizes the flowchart to determine the appropriateness of the KAP vs. DLM for each student in question. During this process, IQ data is reviewed to determine whether the student has a significant cognitive disability.
