[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

IEP teams, including parents, are utilizing cognitive and adaptive assessment data along with confirmation that the student Is working on essential elements, to determine whether a student meets the state criteria as a student with a most significant cognitive disability.

[X] **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

Each year, we review updated state guidance on DLM eligibility criteria and look at data provided by the state on students that have been flagged from the previous testing session. This Information Is used to ensure that we have students appropriately placed on the DLM.

Based on the data for our district, our LEA needs additional training.
