[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

The IEP team uses the Alternate Assessment flowchart provided by KSDE in order to qualify a student . The student must be performing 2.5 standard deviations or more below the mean on the cognitive and adaptive assessments. The student's goals for their annual IEP must be aligned with the Essential Elements.. All instruction must be substantially modified in all settings.

We will review the DLM requirements in professional development this spring to ensure that students are not being over-identified.
We have also added KSDE's DLM rubric to our Supplemental Manual as a required IEP team process for identifying students as being eligible for taking the DLM.
