[X] Yes [ ] No

If yes, please explain how you will address the disproportionality.

At least annually NKESC provides training about qualifications for utilizing the DLM. This year NKESC had a state consultant on September 18 come in person to provide training. NKESC also utilizes a Google Classroom with reminders and training links for DLM procedures and processes. Staff are provided guidance from the KSDE Resources – Making Decisions about Participation in the Alternate Assessment Guide and Decision Tree. A DLM support staff member is available to assist teams in determinations for assessments and training support. The low percentage result of 1.16% can also be attributed to having a small school.
