- [x] Yes
- [ ] No

If yes, please explain how you will address the disproportionality.

The IEP Team will continue to ensure all students qualify for the Alternate Assessment (DLM) by annually considering whether the students are at least 2.5 standard deviations below the mean in both cognitive and adaptive functioning, guided by the DLM rubric. This consideration is in place for all students at all annual IEP meetings, in order to prevent disproportionately assessing students in a specific race/ethnicity category, with the alternate assessment.

Percentage of students performing at target or advanced on the DLM for the school year.

ELA:	40%
Math:	0%
Science:	0%

[X] **Please provide a narrative that includes the data types and processes that the IEP teams are utilizing to qualify students for the Alternate Assessments (DLM) in the box below and press Save.**

For each of the students, the IEP teams consider data for cognitive functioning and adaptive behavior. The IEP team uses the DLM participation guidelines. All requirements must be met.

[X] **What are the district's next steps to ensure that annually the appropriate test is administered to each student?**

The district continues to follow the outlined process, as only the students with the most significant cognitive abilities take the DLM.

Based on the data for our district, our LEA needs additional training.
