Secretary's Report

The Special Education Advisory Council (SEAC) works to ensure that the state is engaging stakeholders on topics related to serving students with exceptionalities, their families and the agencies that support both the students and their families. Serving students with exceptionalities in Kansas is the primary focus of SEAC.

The primary motivation for individuals to be selected to serve on SEAC is a focus on quality improvement in the Kansas education system, particularly as it relates to serving students with exceptionalities. SEAC has represented its constituents well again this past year and has been productively engaged in fulfilling its legal commitments and mission on behalf of students with disabilities including students with Giftedness (Kansas Requirement). The SEAC members meet a minimum of four times each year, study issues of significance related to meeting the needs of students with disabilities and exceptionalities, advise the Special Education and Title Services (SETS) team and Kansas State Board of Education (KSBE) on matters regarding programs and services for students with exceptionalities.

SEAC's 2019-2020 accomplishments, under the leadership of SEAC chair, Rebekah Helget, are wide ranging and include the following:

- SEAC members represented the Council at the National Council for Exceptional Children Conference (CEC) and the Kansas CEC Conference; the Kansas Multi - Tier System of Supports Symposium, the Annual Kansas Summer Leadership Conference for Special Education Administrators, the OSEP Summer Leadership Conference, the Tri-State Law Conference, and the KSDE Annual Conference.
- Dr. Marvin Miller and Dr. Joan Robbins represented SEAC as members of the statewide task force set to study issues directly related to Emergency Safety Interventions (ESI). Both members provided updates to the SEAC as well as the Kansas State Board of Education regarding the ESI task force.
- The SEAC collaborated with other stakeholders to support Senate Bill 323, (later becoming K.S.A. 75-5397e) which made specific recommendations for language acquisition and language assessment for students who are deaf or hard of hearing. Joan Macy served on the Governor's advisory committee to develop a specific action plan for implementation of a statewide language assessment program for children who are deaf/hard of hearing (DHH) ages birth through eight. This program will assess, monitor, and track language development in American Sign Language (ASL) and English of these children to ensure they have language skills commensurate with their hearing peers.
- The SEAC Provided feedback to the KSDE Special Education and Title Services (SETS) team on:
 - The Annual Performance Report submitted to the Office of Special Education Programs (OSEP);

- Reviewed Transition regulations to ensure that all students with disabilities have transition goals and assessments initiated no later than the student's 14th birthday;
- Discussed dyslexia as an area of concern to ensure that students diagnosed with dyslexia are receiving appropriate educational supports and services;
- Provided feedback to KSDE on Significant Disproportionality;
- Determined that detention centers needed to be monitored and provided input on this issue;
