Colleen reminded members of the SEAC/CCECDs joint meeting that was held in November '09 and it is hoped by both committees that this becomes an annual event. Sean asks if a targeted objective for the next collaborative meeting could be "lessons learned" by both groups. CCECDs website at <http://www.kansasicc.org/~kicc/html/overview.shtml> and Doug can be reached at DBowman@kdhe.state.ks.us.

Update: Multi-Tier System of Supports (MTSS)

FT works more now with families of infants & toddlers – 150 – as families learn to be advocates for their children. FT receives random calls concerning parents removing services. They try to make parents understand the consequences to issues such as how the child's behavior issues are dealt with.

Advocates are appointed most generally for students who's parental rights have been severed. When an advocate is appointed or an adjustment is made, the school & parent is sent a letter cc'ing the Special Education director or Coop, the school building principal and the foster care case manager.
