Template Instructions

Please enter in all grey boxes.

By statute, only the BOE State Assessments Review needs to be completed, but it is suggested have each building complete a Building State Assessments Review that the BOE then uses to complete the BOE State Assessments Review. All questions on the BOE State Assessments Review MUST be addressed and used in order to be statutorily compliant.

Note: This form will work for up to 4 schools. Please use the Word or Excel templates, for the ability to add more schools.

A separate template for the State Assessments Review by building as well as a template for the Building Needs Assessment may be found on [KSDE's School Finance Guidelines & Manuals page](#) in the Guidelines section.

Please reference the [Needs Assessment and State Assessments Review Guidelines](#) for more information.
