SUBJECT: Local Contribution Special Education State Aid - Revised

The referenced computer printout (Local Contribution Special Education State Aid SY2025-26 Revised) calculates additional Special Education state aid based on District Local Effort according to the formula approved by the State Board of Education in accordance with K.S.A 72-3422. This printout is based on 2024-2025 Actuals but was revised to incorporate negative corrections for previous year's overpayments. Corrections were made based on audited expenditures for the 2023-24 school year. Funds from districts that had reductions based on FY25 overpayments in local contribution special education state aid were redistributed to all districts. For calculation purposes, expenditures and revenues are reflected at the district level. Cooperative and Interlocal expenditures and revenues are reflected in the Interlocal and Cooperative Total lines only.
